RE: Antidumping duty scope determination on hand trucks and certain parts thereof from the People's Republic of China (A -570-891).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Harp Shoppe LLC. Commerce issued a final scope determination on 02/18/2014 that the Harp Shoppe Trolley which Harp Shoppe LLC imports is not within the scope of the antidumping duty order on hand trucks and certain parts thereof from the People's Republic of China (A-570-891).

2. Commerce determined that the Harp Shoppe Trolley is outside the scope of the order because the Department finds that the Harp Shoppe Trolley frame is not "vertical" or "vertically disposed" as contemplated by the scope language and cannot be converted to a vertical or vertically-disposed position when standing or in operation. Therefore, the Harp Shoppe Trolley is not within the scope of the antidumping duty order on hand trucks and certain parts thereof from the People's Republic of China.

3. For all entries of the Harp Shoppe Trolley not within scope that remain unliquidated on or after 05/24/2004, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits and release any bonds relating to the Harp Shoppe Trolley described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of the Harp Shoppe Trolley entered, or withdrawn from warehouse, for consumption on or after 05/24/2004.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of hand trucks and certain parts thereof from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

8. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
